# MESSAGE FROM THE MAYOR

It is with great pleasure and enthusiasm that I would like to once again extend warm greetings and best wishes to our residents and guests. Having the opportunity to serve as Mayor of Huntsville during these tremendously exciting times for our community is a distinct honour and privilege. I am confident that our residents and guests will quickly realize the immense progress we have made collectively and collaboratively throughout the past year alone. Huntsville is

a community that takes great pride in honouring the past while simultaneously looking with eager anticipation towards the future. The year 2010 has proven to be a monumental time in the history of Huntsville. The hosting of the 2010 G8 Summit was a major undertaking for the Town and we are extremely proud of the result. If you have not already, please do take a moment to take in some of the G8 legacy projects: the new Canada Summit Centre, the University of Waterloo Centre and the G8 Flag Park.

Huntsville can also look forward to the opening of Conroy Park this coming fall. Outfitted with a professional grade running track as well as an artificial surface for soccer and field sports, I am certain that all of our residents, young and old, competitive or recreational, will be delighted with our new cutting edge sports park. Additionally, in keeping with our commitment to enable and foster healthy, active lifestyles, we have recently completed work on two brand new soccer pitches at the McCulley-Robertson Sports Complex as well as set to complete construction on Huntsville's Active Living

Centre later this fall. The Active Living Centre will house approximately 14,000 square feet of space for a senior's centre, early years programming, youth programming and a multi-purpose auditorium/banquet hall on the main floor.

I believe the efforts we have taken to ensure the highest quality of life will quickly become evident to any person who endeavors to experience our remarkable facilities and outstanding leisure programs. I would like to take a brief moment to acknowledge our exceptional and inspiring volunteers. One comment I consistently hear from visitors to our town is how our sense of community, collective responsibility, compassion, and commitment to success seems to permeate everything we do. This compliment is largely the product of those countless people who day after day dedicate themselves to the service of others.

Huntsville strives to provide inexpensive yet unforgettable recreational activities for both residents and guests. I personally invite you to take advantage of our proximity to some of the finest outdoor recreational sites anywhere. Our many lakes, rivers, trails and parks offer something for everyone. Reconnecting with the great outdoors, during any of the four seasons, is easy to do in Huntsville. Whatever your tastes and preferences may be there is something exciting happening in Huntsville. While we are committed to showcasing our piece of paradise to the world as an ideal place to live, raise a family, and start a business, our top priority remains the residents of Huntsville.

Yours truly,

**Claude Doughty**, Mayor, Town of Huntsville

On behalf of my fellow Parks and Recreation Committee members we welcome the opportunity to offer our best wishes for a healthy fall and winter season.

As our four year term comes to its completion we are hopeful you will enjoy what began as visions developed in the first part of our term. We hope that these visions will serve the recreation needs of our community for years to come.

We have seen the development and acceptance of Jacob-Wearing 'Second Ice Pad Report', the McCulley-Robertson review, the Conroy Park report and the Active Living Centre report. We are extremely pleased that virtually all of the needs and requests of the community have been completed, including the addition of the Freedom Dog Park.

Already many in the community have been able to enjoy the fruits of these efforts with the opening of our Canada Summit Centre with all that it has to offer including the Olympic sized ice surface, the newly revamped pool, and indoor walking track. With the completion of the Motivations Fitness Centre the opening of Oliver's and the addition of the Algonquin Family Health Team, the Canada Summit Centre will no doubt become the central focus point of our community. Later this fall we look forward to the opening of the Active Living Centre which will address the needs of the community from the very young with the Early Years program to the retirement community with all of the special features this centre will provide.

When fully completed, the Canada Summit Centre, the Jack Bionda Arena and the Active Living Centre will truly become a community centre.

The Parks and Recreation Committee would once again like to acknowledge the patience that many of our users have had to endure in order for these improvements to take place. We believe it all to be worthwhile as these improvements will service the needs of the community for decades to come.

Again thank you and we sincerely hope that you enjoy your new facilities.

Yours truly,

**Mike Greaves**

Chair, Parks and Recreation

## Community Services

## Algonquin Theatre Staff

## Muskoka Heritage Place Staff

## Volunteer Opportunities

### within the Town of Huntsville

Volunteering is a great way to gain experience, have fun and meet new people in your community.

- Huntsville Centennial Seniors
- Aquatics
- Adult, Youth and Children's Programs
- Canada Summit Centre Customer Service
- Algonquin Theatre – Backstage and Front of House
- Muskoka Heritage Place
- Huntsville Public Library
- **Get Involved VOLUNTEER at events taking place in your community**

## Algonquin Theatre

### Backstage Volunteer Crew

The Algonquin Theatre Backstage Crew perform a multitude of tasks for the theatre and are the behind the scenes backbone of all our performances.

The Stage Crew takes part in the stage set-up for concerts and theatrical productions and help to keep the shows running smoothly. Crew lean to read stage plots and input lists for setting and wiring the stage, operate spot light, monitor communications thru Clear-Com during the show and to Stage Manager. Crew also assists with the loading in and loading out of the show, greet and assist performers and help with stage props.

We have a friendly atmosphere and a great reputation for being a professional and efficient Stage Crew among the performers that have performed here.

If you are interested in becoming a part of our Stage Crew team or for more information please contact Chris Boon at 705-789-1715 x2249 or send an email to [chris.boon@huntsville.ca](mailto:chris.boon@huntsville.ca)

## High School Students

### Community Involvement Hours

Are you interested in sports and recreation, theatre, aquatics, customer service or heritage? The Town of Huntsville Community Services Department is looking for energetic individuals to volunteer in various positions.

Every Secondary School student, as part of their Ontario Secondary School Diploma must complete a mandatory 40 hours of community involvement. This encourages students to develop an understanding of the various roles and opportunities within their community.

## Employment Opportunities

The Town of Huntsville, Community Services has various opportunities for employment. Some opportunities include:

- Children's Programs – Camp Counsellors
- Aquatics – Instructor/Lifeguard
- Parks and Locks
- Muskoka Heritage Place

Please visit [www.huntsville.ca](http://www.huntsville.ca) for the most current employment opportunities or submit a resume.
