Muskoka Museum Exhibit for 2010 GREAT NATIONS

Muskoka is a great place to visit, work and live. People have come from all over the world to live in Muskoka, bringing their traditions, values and symbols with them. This year the Muskoka Museum is celebrating the cultural diversity that has made Muskoka great.

Canada was built on the hard work of everyone who calls Canada home. Muskoka has always been an area where people from different nations could come together to trade, work and celebrate. This year the Muskoka Museum is celebrating the contributions made by all of the Great Nations of the world to our lives.
